BLANTON REID—Announcement is made of the approaching marriage of Mr. Ben H. Blanton, general bookkeeper of the Geo. T. Staggs Co., to Miss Mattie Reid, of Versailles, Ky., which will take place in that city Wednesday next, July 19.

Mr. Blanton is a popular and clever young man and his many friends are congratulating him in advance.

Miss Reid is a pretty and accomplished young lady.

Owing to recent bereavement only members of the immediate families will be present.

CRUTCHER-COKE—At the residence of the bride's father, in Louisville, on Wednesday, Mr. Ben. Todd Crutcher, of this office, and Miss Lena W. Coke, daughter of Mr. J. Dallas Coke, formerly of this city, were married by Rev. Mr. Brandon, of the Main Street Methodist Church.

The happy young folks came to the new home which the groom had built and furnished for his bride, at Hoge Station, this county, on the 4:35 p. m. L. & N. train that afternoon and at once went to housekeeping.

Mr. Crutcher is an industrious and capable young man, steady and reliable. Miss Coke is a pretty girl and was very popular here before the family moved to Louisville several years since.

Heartily congratulations are extended by their legion of friends.

WILLIS-EVANS—A quiet, but pretty wedding, took place at the home of the bride's father, on East Main street, on Monday afternoon, when Miss Ruby Evans was united in marriage to Mr. J. B. Willis, of Jollett, Ill.

Only the immediate friends and

relatives of the family and bride were present, when, promptly at 5 o'clock, the Rev. M. B. Adams entered the parlor, followed by the bride and groom. Chosing beautiful and impressive language, Mr. Adams pronounced the words that made them one forever.

The bride was lovely in white organdie and carried a bouquet of pink roses, while the groom was happy and handsome in the conventional black. After the ceremony, congratulations being extended, the friends dispersed, each wishing Mr. and Mrs. Willis much happiness and a long and prosperous life. The happy couple left that evening for Jollett, Ill., where they will make their future home.

IT IS BREAKFAST TIME!

"Don't want any." "It's time to go to work!" "Leave me alone." There you are, limp as a rag, lying in bed when there's good cold cash waiting for you down town. But your head is heavy. Your eyelids are lead. Your tongue tastes bad. And you don't care. It's liver—liver—liver. And stomach—stomach—stomach. You don't know it, but it's so.

There's just one remedy that will put vim in you—by giving you clean bowels, a healthy stomach, a lively liver, and blood that is rich and red and don't stagnate. It is Dr. Pierce's Golden Medical Discovery. It puts an appetite in your stomach, a move to your bowels, life in your liver, and the stuff that builds bone, flesh and nerve in your blood. It will make you sleep at night, wake in the morning, eat your meals and work with a zest. It cures all diseases resulting from improper and insufficient nourishment—lung, nerve, liver and blood troubles. It contains no alcohol to inebriate or create craving for stimulants. An honest dealer won't offer you an inferior substitute for a little extra profit.

In a letter received from A. D. Weller, Esq., of Pensacola, Escambia Co., Fla. (Box 544), he states: "I have, since receiving your diagnosis of my case as stomach trouble and liver complaint, taken eight bottles of the 'Golden Medical Discovery' and must say that I am transformed from a walking shadow (as my friends called me) to perfect health. I value your remedies very highly and take pleasure in recommending them to any and all who suffer as I did. Four months ago I did not think to be in shape to assist our 'Uncle Samuel' in case of hostilities, but thanks to you, I am now ready for the 'Dons.'"

Keep your bowels open. Dr. Pierce's Pleasant Pellets will do it without griping. All medicine dealers.
